

WOOD HEATERS

Details Current @ 01-10-11

NECTRE SLOW COMBUSTION HEATERS

Nectre Their high quality folded steel construction with elegant cast iron doors use the principles of radiant heating to great effect. The Nectre Mega 30 and Baker's Oven can also provide boosting for a hot water system. A stainless steel water jacket fits neatly into the back of the firebox.

Nectre 15: A small heater that has remarkable performance and is able to heat around 15 squares (140sqm).

Nectre Mk1: The original and most popular Nectre, designed to heat an open area of approximately 20 squares (200sqm).

Nectre Mk2: A double cased fire box assists air convection and enables safe installation close to walls. Heats around 20 squares (200sqm).

Baker's Oven: A combination heater and oven with a cooking surface on top and oven below the fire box. Ideal for all forms of cooking, it also heats.

Nectre 500/800 range not only offers the latest in clean burning technology with affordability without compromise, it also offers a new 'curvaceous', contemporary style that will fit any decor.

NECTRE WOOD HEATERS	HEATS	RRP
N15 on legs	15 sq. (140sqm)	\$1075
N15 on pedestal		\$1180
Mark 1 on legs		\$1558
Mark 1 on pedestal	20 sq. (186sqm)	\$1665
Mark 2 on legs		\$1875
Mark 2 on pedestal / inc Fan		\$2039 / \$2359
Mega 30 on legs	40 sq. (373sqm)	\$2306
Mega 30 on pedestal / inc Fan		\$2429 / \$2634
Inbuilt fireplace insert	15 sq.	\$1665
Bakers Oven / inc Water Jacket	6 sq. (56sqm)	\$2195/ \$2565
Nectre 500 / 500 insert	...	\$1921
Nectre 800 / 800 insert	...	\$2249

Nectre Parts	RRP

36" Wall/Floor Penetration kit Plain	\$205
6" x 36" Stainless Steel Flue	\$45.50
8" x 36" Black Perforated Mesh	\$56.50
45 Degree 6" Stainless Steel	\$56
90 Degree 6" Stainless Steel	\$75
Flue hot water booster	\$599

SMART BURN

SmartBurn is a scientifically proven Pollution Reduction Device that reduces smoke haze and particulate emissions by up to 50% from domestic wood combustion heaters. The fire burns up to 17% hotter and SmartBurn reduces chimney fire risk. As the combustion process has been improved more value is then gained from the wood used. SmartBurn contains a mixture of non-toxic natural ingredients and for best results SmartBurn should be replaced every 3 months. SmartBurn is proudly Australian invented, manufactured and owned.

Smart Burn	\$46
